

NAVY AND MARINE LISTS, AND ANNUAL PAY.

LETTER

FROM

THE SECRETARY OF THE NAVY,

TRANSMITTING

A transcript of the official navy and marine lists, showing the amount of pay allowed to each person.

DECEMBER 23, 1851.

Referred to the Committee on Naval Affairs, and ordered to be printed.

NAVY DEPARTMENT,
December 22, 1851.

SIR: I have the honor to transmit herewith, a report from the Fourth Auditor of the Treasury Department, exhibiting, in a tabular form, the pay and allowances of the several officers of the navy and marine corps of the United States, for the fiscal year ending 30th June, 1851; prepared in compliance with a resolution of the House of Representatives, passed June 14, 1848.

I have the honor to be, very respectfully, your obedient servant,
WILL. A. GRAHAM,
Secretary of the Navy.

Hon. LINN BOYD,
Speaker of the House of Representatives.

TREASURY DEPARTMENT, FOURTH AUDITOR'S OFFICE,
December 19, 1851.

SIR: I have the honor to transmit the statement required by a resolution of the House of Representatives, passed during the first session of the 30th Congress, which directs that the Secretaries of the Navy and War Departments furnish that house annually with "a transcript of the official army and navy lists, in such form as to affix opposite the name of each person, contained in separate columns, the annual pay of each officer or person, the amount paid him for rations, servants and forage, and the gross amount paid or allowed him in all respects, for, and on his account for and during the preceding fiscal year."

The blanks which appear are generally occasioned by the want of returns

from pursers of distant vessels, and are not of much importance, since the amount received by officers on board of such vessels, usually consists only of the sea pay belonging to their rank and a commutation of their rations.

I have the honor to be, sir, very respectfully, your obedient servant,
A. O. DAYTON.

HON. WILL. A. GRAHAM,
Secretary of the Navy.

Statement of the pay and allowances of the several officers of the Navy and Marine Corps of the United States for the fiscal year ending June 30, 1851; prepared in compliance with a resolution of the House of Representatives passed June 14, 1848.
